IAAFA Terms and Conditions

*Undoubtedly, being part of the **Facebook Support Groups** is amongst the most invaluable benefits of being an IAAFA member. Please read below, for an indication of who is legible to join each Support Group:

- **Module 1 Support Group** - Delegates must have completed all three, Module 1 days at the DRBKI (BTX Level 1, BTX Level 2 and Dermal Filler Level 1)
 - **Module 2 Support Group** – Delegates must have completed all three, Module 2 Filler days at the DRBKI (Dermal Filler Level 2, Dermal Level 3 Part 1 and Dermal Filler Level 3 Part 2)
 - **Module 3 Support Group** – Delegates must have completed both core Thread Lifting days at the DrBKI (Thread Lifting Part 1 and Thread Lifting Part 2)
 - **Module X Support Group** – Delegates must have completed both days of Module X ('Skin & Hair' and 'Fat')
- *As an educational provider, IAAFA is obliged to ensure that we promote and encourage members to keep up with the industry's latest standards, policies and treatments, as well as their CPD requirements pertaining to facial aesthetics. Therefore, attendance to the conference is the minimum requirement and ensures that all members are appropriately updated on new developments including any regulatory issues.*
- *Members who are not able to fulfil this minimum requirement (attendance to the conference once every two years) are falling outside of the standards expected by iaafa and therefore membership will be revoked. A surcharge of £300 in addition to a new annual membership fee will be required in order to re-join.*
- *Conference cancellation policy: we require a minimum of 30 days' notice, should you need to cancel your conference booking. If you fail to attend or don't give sufficient notice, then you will be charged £99. Failure to do so, could jeopardise your IAAFA membership and lead to the immediate loss of Faculty membership (except in the case of 'force majeure'). Cancellation must be notified in writing by email, uniquely to: support@drbobkhanna.com*
- *We reserve the right to revise and potentially revoke membership from those who are deemed to be acting unethically or inappropriately within the Facial Aesthetic/Medical field and/or within their personal life.*
- *Please bear in mind that the above terms and conditions are subject to change, and we will ensure that you are kept up to date, accordingly.*

I _____ hereby declare that I have read and understood the above terms and conditions.

I _____ hereby declare that I will be attending this year's IAAFA Conference (inclusive of my membership) on the 22nd November 2025.
